DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For home garden use only.

SHAKE WELL BEFORE EACH USE. DO NOT APPLY THIS PRODUCT DIRECTLY TO ANY FOOD CROP.

Flowers and Ornaments: Only spray plants which have been sufficiently watered beforehand and are not under stress. Spray plant stems and foliage thoroughly, including underside of leaves. Apply evenly over infected areas and along flower beds adjacent to border or ground cover plants. Also apply to ground at base of fences and walls in shady, protected locations and any other place where slugs and snails may congregate or hide.

STORAGE AND DISPOSAL

Storage: Keep product in original container in a locked place out of reach of children. Protect from freezing.

Disposal: *If empty*, do not reuse this container. Place in trash or offer for recycling if available. *If partly filled*, call your local solid waste agency or toll free 1-800-CLEANUP (1-800-253-2687) for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing spray mist. Do not get in eyes, on skin, or on clothing. Wash thoroughly after use. Wear chemical resistant gloves made of any waterproof material when handling and applying this product.

IMPORTANT: Keep children and pets out of treated area until spray has dried. This pesticide may be fatal to dogs or other pets if animal drinks.

FIRST AID

Call a poison control center or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. **If swallowed:** Call a poison control center or doctor immediately for treatment advice.

Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Telecommunications Network at 1-800-858-7378 for emergency treatment.

ENVIRONMENTAL HAZARDS

Do not apply directly to water or areas where surface water is present. Do not contaminate water when disposing of equipment or container wash water.
