

TREE SEAL® is a fast, effective dressing designed to aid healing of pruning cuts, grafts, abrasions, and wounds on woody plants and trees. It prevents excessive sap flow and provides a protective barrier against water, insects, and disease. It can also be used to seal and waterproof clay and wood planting pots and tubs, gutters, flashings, and small patches on asphalt driveways and walkways.

STOP READ ENTIRE LABEL BEFORE USE.

HOW TO USE: Shake well before using. Remove cap. Hold container in upright position with nozzle pointed toward, and 8 to 10 inches away from, area to be sprayed. Push nozzle to spray. Spray in short bursts to prevent dripping and runoff. After each use, turn container upside down while spraying, to clear nozzle.

WHERE TO USE: ROSES, WOODY SHRUBS, and TREES. Treat all pruning cuts over 1/2 inch in diameter. Cut decayed or dead limbs to sound wood before spraying. Apply **TREE SEAL®** to all exposed wood and adjacent bark. Multiple light coats are recommended.

WOUNDS and ABRASIONS. Trim ragged edges and surfaces, then spray thoroughly.

CLAY and WOOD PLANTING POTS and TUBS. Spray the inner surfaces lightly and thoroughly. To seal small cracks and holes, make two applications, allowing first application to set overnight.

GUTTERS, FLASHINGS, and small patches on ASPHALT DRIVEWAYS and WALKWAYS: To seal small cracks and holes, make two applications, allowing first application to set overnight.

DANGER: Extremely flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130 degrees F may cause bursting. Do not use or store near heat or open flame. Harmful if swallowed. Avoid contact with eyes and skin. In case of contact, flush eyes with fresh water for at least 15 minutes. For skin, wash with white mineral oil, wipe off excess and then wash with soap and water. Get medical attention if irritation persists. Do not apply to humans, pets, or birds. Spray away from fences, buildings, sidewalks, etc. to prevent staining.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
