LILLY MILLER GARDEN GYPSUM

MATERIAL SAFETY DATA SHEET

I. Product Information:

Manufacturer's name, address and telephone number:

Marion Ag Service Inc.
7746 St. Paul Hwy. NE.
St. Paul, Oregon 97137
(503) 633-4561

Trade Name: St. Paul Brand Standard and Mini Prill Gypsum
Synonyms: Ground Gypsum; Granulated Gypsum, Prill Gypsum

II. Hazardous Ingredients: None.

III. Physical Data:

Uncalcined gypsum, ground, crushed or pulverized; either powder or granulated. Color: Grey to light brown.

IV. Fire and Explosion Data:

Non Combustible.

V. Health Hazard Information:

This gypsum contains naturally occurring crystalline silica. Extended exposure to respirable crystalline silica has been known to cause silicosis which may be disabling. Therefore, people using this product in confined or dusty conditions should use a NIOSH/OSHA approved dust respirator IF permissible OSHA limits are exceeded. Crystalline silica is not considered to be a human carcinogen by OSHA.

VI. First Aid Measures:

Skin Contact: Wash with soap and water. If irritation persists, seek medical attention. **Inhalation:** Move to clean air; if irritation, coughing, or breathing difficulty continues seek medical attention. **Eye Contact:** Flush eyes with large amounts of water; if irritation persists seek medical attention.

VII. Storage: Store in dry area.
